

COMPRESSED AIR.

INDEX TO VOLUME NO. VIII.

MARCH, 1903, TO FEBRUARY, 1904, INCLUSIVE.

A.

Accidents to Air Compressors.....	2500
Accidents to Collieries.....	2704
Accidents Due to Combustion within Air Compressors.....	2413, 2663
Advantage of Compressed Air over Steam on Contract Work..	2457
Air Brake Instruction Car.....	2575
Air Brake Train Pipe.....	2706
Air Compressors.....	2399, 2775
Air Compressor Accidents in Collieries	2704
Air Compression by Water Power: The Installation at the Belmont Gold Mine.....	2479
Air Compressor in the Wilderness	2576
Air Cushion Resistance.....	2621
Air vs. Electric Hoists.....	2500
Air Lift—Test of.....	2508
Air Lift Plant.....	2357
Air Lift Plant—Elizabeth Water Co., Springfield, N. J.....	2352
Air Lift Plant at the San Antonio Abad Cotton Mills in the City of Mexico	2503
Air Motor for Drilling Staybolts..	2458
Air Pumps	2571
Air Signals on an Air Brake Train Pipe	2706
Air Signals for the Bengal-Nagpur Railway	2752
Air Spray for Fruit Trees.....	2798
Air Testing in Tunnel Construction	2296
Air Turbine	2503
Ajax Drill Steel Sharpener.....	2441
Allen Pneumatic Riveters.....	2525
Allier's Air Painting Machine.....	2531
American Locomotive Co.....	2773
American Mining Congress.....	2633
American Pneumatic Carpet Cleaning Co.....	2431
An Air Driven Crane.....	2356
An Automatic Air Chamber Changing Device	2482
Another Use for the Pneumatic Hammer	2704

Appliances	2461, 2426
Ash-handling Plan for the Chicago & Alton Railway.....	2610
Automatic Engine & Tender Brake	2656
Automatic Gun.....	2314
Axial Valve Hammers.....	2395

B.

Belmont Gold Mine.....	2479
Belt and Rope—Transmission.....	2285
Bengal-Nagpur Railway.....	2752
Blast for Castings.....	2735
Blast Cleaning of Structural Steel.	2329
Blast Furnace Bells.....	2555
Book Review	2359, 2446
Brake Lubricant	2287
Brake Improvement	2313
Brake Construction Car.....	2575
British House-cleaning Device.....	2437
Building the Cleveland Stone Co.'s Power Plant	2664

C.

Caisson Disease	2789
Car Heating by Steam mixed with Air: Eastern Railway of France.	2797
Calking Tool	2753
Carpet Cleaning Co.....	2431
Changing Device	2482
Chaquette Pneumatic Dredge.....	2674
Chicago & Alton Railway.....	2610
Chicago & Northwestern Railway—Air Compressor Plant.....	2695
Chicago Theatre Disaster.....	2766
Cleaning—Compressed Air.....	2766
Cleaning Air by Washing instead of Filtering.....	2606
Cleaning Carpets with Compressed Air	2400
Cleaning by Compressed Air.....	2612
Cleveland Stone Co.'s New Power Plant	2457
Coal Cutter	2553
Coal Machines	2567
Coal-Cutting by Machinery.....	2642, 2691
Coal Mines—Compressed Air Motors in'	2438

COMPRESSED AIR.

Coal Mining—Electrical Apparatus for	2370
Collieries—Accidents in.....	2704
Combined Straight Air and Automatic Engine & Tender Brake..	2656
Combustion within Air Compressors	2413, 2663
Communications	2408, 2494, 2536, 2712
Compressed Air.....	2612, 2542, 2513, 2739, 2400, 2346, 2499, 2445, 2767
Compressed Air Apparatus.....	2791
Compressed Air Cleaning.....	2766
Compressed Air Crane Hose Support	2310
Compressed Air in the Elevation of Tailings	2566
Compressed Air in Glass Blowing.....	2790
Compressed Air in House-Heating	2400
Compressed Air Locomotive.....	2434
Compressed Air Locomotive, Built by the American Locomotive Co.	2773
Compressed Air Locomotives, Haulage Plant	2621
Compressed Air Locomotives for Mine Haulage	2720
Compressed Air for Marine Work.....	2473
Compressed Air as a Motive Power Underground	2793
Compressed Air Motors for Gathering Car in Coal Mines...	2438
Compressed Air for Operating the Contractor's Plant at the Wachusett Dam	2744
Compressed Air for Power.....	2658
Compressed Air for Pumps	2526
Compressed Air Pump for Painting	2529
Compressed Air for Railway Brakes	2630
Compressed Air Running Steam Engines	2511
Compressed Air and Steam.....	2456
Compressed Air over Steam on Contract Work	2457
Compressed Air Tunneling.....	2720
Compression Riveter.....	2528
Compressors	2603, 2543
Compressor Explosions	2542
Compressor for Mining Service....	2736
Compressor Plant at Terminal Station	2573
Concrete Dry-Dock at Kiel, Germany: Subaqueous Construction by Floating Pneumatic Caisson.	2776
Cooper, James—Death of.....	2537
Cornish Mines—Ventilation.....	2357

Cranes	2393, 2600, 2748
Crane—An Air Driven.....	2356
Crane Hose Support.....	2310
Cyanidation at the Kalgurli Mine, Kalgoorlie	2594

D.

Death of Mr. James Cooper.....	2537
Deep Level Temperatures.....	2289
Deep Wells and Borings.....	2614
Demonstration of Pneumatic Tools	2660
Department Store—Pneumatic Tube System	2461
Developing the Air Compressor..	2629
Development of the Straight Line Air Compressor	2586
Diamond Coal-Cutter	2553
Diamond Sand Blast	2532
Disease—Caisson	2789
Displacement Pump	2656
Dredge—Chaquette Pneumatic.....	2674
Drill—Torpedo Baby.....	2607
Drilling Staybolts	2458
Drill Steel Sharpener.....	2441
Drill Use in Mines.....	2327
Dry-Dock at Kiel, Germany: Subaqueous Construction by Floating Pneumatic Caisson.....	2776
Dust While Drilling	2705

E.

Eastern Railway of France.....	2797
East River Tunnel	2680
Economical Repairs to Air Pumps	2571
Editorial	2284
Edwards Simplex Air Sander....	2350
Efficiency Test of the Air Lift....	2508
Electrical Apparatus for Coal Mining	2370
Electric Driven Air Compressor.....	2791
Electrically Driven Compressors..	2603
Electric Hoists	2500
Electro-Pneumatic Interlocking at Solvay, New York.....	2604
Electro-Pneumatic Operation of Blast Furnace Bells.....	2555
Electro-Pneumatic Signals in England	2703
Electro-Pneumatic Switches	2500
Electro-Pneumatic Turret System of Control.....	2634
Elevation of Tailings.....	2566
Elizabeth Water Co., Springfield, N. J.....	2352
Engine—Smallest	2574
Engine and Tender Brake.....	2656
Explosions—Compressor	2542

COMPRESSED AIR.

F.

Feeding Soap-Suds to Compressors..	2350
Filtering—Cleaning Air by Washing instead of.....	2606
Fires—Mine	2315
Flue Machine	2478
Forging Machine	2443
Four-Stage Air Compressor for Mining Service	2736
Franchises—Pneumatic Tube.....	2518
Frost Trouble with Compressed Air Apparatus	2791
Fruit Trees—Spray for.....	2798

G.

Gas Engines	2316
Gas Turbine	2613
Gathering Cars in Coal Mines....	2438
German Tests of Coal Machines...	2567
Glass Blowing—Compressed Air in..	2790
Gold Mining in Wales.....	2398
Granite with Compressed Air.....	2655
Graphite as an Air Brake Lubricant	2287

H.

Haeseler Axial Valve Hammers...	2395
Hammer for Railway Shops.....	2517
Hanna Portable Pneumatic Screen Shaker	2486
Haulage Plant—Compressed Air Locomotive	2621
Haulage Plants for Mines.....	2469
Heading Machine	2771
Heating by Steam Mixed with Air: Eastern Railway of France.....	2797
Homestake Mammoth Air Compressor	2543
Hose Reel for Pneumatic Cranes..	2393
Hose Couplings.....	2533
House Cleaning—Sanitary.....	2697
House Cleaning Device.....	2437
House Heating—Compressed Air in.	2400
Hudson River Tunnel.....	2545
Hurst Air Brake Improvement....	2313
Hydraulic Installation	2293
Hydraulic Installation at the Panuco Mines in Mexico.....	2562

I.

Important Enterprises.....	2673
Improved Methods for Difficult Subaqueous Tunneling	2379
Improvements in Methods of Tunneling	2585
Importance of Proper Lubricants.	2673
Improvement—Hurst Air Brake....	2313

Installation at the Belmont Gold Mine	2479
Installation at the Panuco Mines in Mexico	2562
Interlocking at Solvay, New York.	2604

J.

Jack—Air	2358
----------------	------

K.

Kalgurli Mine, Kalgoorlie.....	2594
Kiel, Germany: Subaqueous Construction by Floating of Pneumatic Caisson	2776

L.

Laying the Dust while Drilling....	2705
Leakage—Train Pipe.....	2464
Lesson of the Chicago Theatre Disaster	2766
"Liernur" Pneumatic Sewerage System at Stansted.....	2515
Lifting Water by Compressed Air..	2513
Locomotives Built by the American Locomotive Co.....	2773
Locomotive Haulage Plant.....	2621
Locomotives for Mine Haulage...	2720
Lubricants	2673
Lubricator for Feeding Soap-Suds to Compressors	2350

M.

Machinery—Coal Cutting by....	2642, 2691
Machinery in New Mexico Silver Mines	2569
Martin Metallic Flexible Joint....	2696
Michigan Mine Adopts New Plan for Air Compressor.....	2467
Mines—Ventilation in Cornish....	2357
Mine Fires	2315
Mine Haulage	2720
Miners' Phthisis	2488, 2661
Mining Service	2736
Mining in Wales	2398
Modern Slate Quarrying.....	2746
Moran Liquid Fuel Burner.....	2433
Motive Power Underground.....	2793
Motors—Compressed Air Gathering Cars in Coal Mines.....	2438
Motor Hoist	2518

N.

New Air Compressor.....	2654
New Air Valve.....	2481
New Application for Pneumatic Tools	2476

COMPRESSED AIR.

New Cylinder Oil Atomizer	2347
New Flexible Metallic Joint.....	2355
New Pneumatic Devices.....	2598
New Type of Air Compressor....	2748
New York Stock Exchange.....	2630
Notes...2317, 2359, 2402, 2625, 2757, 2708, 2665, 2489, 2534, 2577, 2622, 2799, 2446	
Notes on Accidents Due to Com- bustion within Air Compressors	2415
Notes on the Design of Riveter Yokes	2341
Novel Jib Crane.....	2306

O.

Oil and Dust from Rock Drill Use in Mines	2327
Oiling System for Power Plants...	2309
Old Type of Compressor.....	2574
Outfit for Railroads.....	2754

P.

Painting—Pump for.....	2529
Panuco Mines in Mexico.....	2562
Patents.2322, 2364, 2410, 2452, 2495, 2538, 2580, 2625, 2669, 2713, 2760, 2803	
Pennsylvania Tunnel	2719
Plant—Air Compressor.....	2695
Plant at Terminal Station.....	2573
Pneumatic Appliances	2401
Pneumatic Ash-Handling-Plant for the Chicago & Alton Railway....	2610
Pneumatic Dredge.....	2674
Pneumatic Forging Machine.....	2443
Pneumatic Hammer	2704
Pneumatic Hammer for Railway Shops	2517
Pneumatic Haulage Plant for Mines	2469
Pneumatic Reamers	2741
Pneumatic Revolving Crane.....	2442
Pneumatic Siphon.....	2606
Pneumatic Tools and Appliances..	2426
Pneumatic Tools and Their Uses..	2300
Pneumatic Track Sander.....	2605
Pneumatic Traveling Crane.....	2748
Pneumatic Tube Franchises.....	2518
Pneumatic Tube Service.....	2509
Pneumatic Tube System of a Modern Department Store.....	2461
Pneumatic Tube System in the New York Stock Exchange....	2630
Portable Air Compressor.....	2435
Portable Electric Driven Air Com- pressor	2791
Portable Pneumatic Cranes.....	2600
Portable Pneumatic Tool Outfit for Railroads	2754
Powerful Air Compressors.....	2399
Power by Compressed Air.....	2589

Power Plants	2664, 2457, 2309
Power Signalling on English Rail- ways	2788
Power Transmission Using Belt and Rope.....	2285
Pressure in Air Compressors.....	2485
Production of Low Temperature..	2291
Publicity for Compressed Air.....	2499
Pump—Displacement	2656
Pump for Painting.....	2529
Pumping Water by Compressed Air	2445

Q.

Questions About Compressed Air.	2739
---------------------------------	------

R.

Railroad Car Braking.....	2349
Railway Brakes	2630
Railway Shops—Pneumatic Hammers for	2517
Raising Water with Compressed Air	2723
Raising of Water from Deep Wells and Borings by Compressed Air	2614
Rammers	2305
Rand Deep Level Temperatures...	2289
Rand Portable Air Compressor...	2435
Reamers—Pneumatic	2741
Reel for Pneumatic Cranes.....	2393
Receiver Pressure in Air Com- pressors	2485
Repairs to Air Pumps.....	2571
Report of the South African Miners' Phthisis Commission...	2661
Resistance—Air Cushion.....	2621
Revolving Crane	2442
Rivet Calking Tool	2753
Riveters	2525, 2528
Rix Small Compressed Air Loco- motive	2434
Rock Drills	2609
Rock Drill Use in Mines.....	2327
Rock Island Air Brake Construc- tion Car.....	2575
Ruth Flue Machine	2478

S.

San Antonio Abad Cotton Mills in the City of Mexico.....	2503
Sander—Pneumatic Track.....	2605
Sand Blast.....	2532, 2483
Sand Blast for Castings.....	2735
Sand Blast Cleaning of Structural Steel	2329, 2416
Sanitary House Cleaning.....	2697
Sand Pounding with Pneumatic Rammers	2305
Sawing by Compressed Air.....	2767

COMPRESSED AIR.

Screen Shaker.....	2486
Shaft Sinking by Compressed Air..	2302
Shepard Pneumatic Motor Hoist..	2518
Signals for the Bengal-Nagpur Railway	2752
Signals in England.....	2703
Signalling on English Railways..	2788
Siphon—Pneumatic	2606
Sinking a Shaft by Compressed Air	2301
Smallest Air Engine Ever Built....	2574
Small Hydraulic Installation.....	2293
Soap Suds to Compressors.....	2350
Solvay, N. Y.—Electro-Pneumatic Interlocking at.....	2604
Something New.....	2395
Some Records of Sand Pound- ing with Pneumatic Rammers..	2305
South African Miners' Phthisis Commission	2661
South Tacoma Air Lift Plant....	2357
Spray for Fruit Trees.....	2798
Springfield Air Lift Plant, Eliza- beth Water Co., Springfield, N. J.	2352
Stanley Heading Machine.....	2771
Starting Large Gas Engines.....	2316
Steam and Air Hose Coupling....	2533
Steam Engines—Compressed Air Running	2511
Steam Engineers' Knowledge of Compressed Air	2542
Steam Mixed with Air: Eastern Railway of France.....	2797
Structural Steel—Cleaning of.....	2329
Subaqueous Tunneling	2379
Submarine Drilling	2464
Suspended Tunnel	2398
T.	
Tamping with Air Blast.....	2572
Telescoping Air Jack.....	2358
Temperatures	2289, 2291
Terminal Station—Compressor Plant at	2573
Test of Air Lift.....	2508
Test of New Automatic Gun.....	2314
Three Important Enterprises	2673
Tidal Action—Utilizing.....	2414, 2460
Tools and Applications	2426
Tool Outfit for Railroads	2754
Tools in the Preparation of Fossils	2507
Tools and Their Uses.....	2300
Torpedo Baby Drill.....	2607
Track Sander	2606

Track Tamping with Air Blast.....	2572
Train Pipe Leakage	2464
Transmission of Compressed Air for Power	2656
Transmission of Power by Com- pressed Air.....	2589
Transmission Using Belt and Rope	2285
Traveling Crane	2748
Tube Franchises.....	2518
Tube Service—Pneumatic.....	2509
Tube System of a Modern Depart- ment Store	2461
Tube System in the New York Stock Exchange.....	2630
Tullahoma, Tennessee Water and Light Plant	2437
Tunnel—East River.....	2680
Tunnel Construction	2296
Tunneling	2720, 2585
Turbine—Air	2503, 2613

U.

Uses of the Atmosphere.....	2433
Use of Compressed Air for Op- erating the Contractor's Plant at the Wachusett Dam.....	2744
Use of Pneumatic Tools in the Preparation of Fossils.....	2507
Use of the Sand Blast.....	2483
Utilizing Tidal Action.....	2414, 2460
Underground—Compressed Air as a Motive Power.....	2793

V.

Valve for Air Compressors.....	2399
Various Uses of the Atmosphere..	2433
Ventilation in Cornish Mines....	2357

W.

Washing the Air.....	2516
Washing instead of Filtering.....	2606
Water by Compressed Air—Pumping.....	2445
Water with Compressed Air.....	2723
Water Power; The Installation at the Belmont Gold Mine	2479
Water Works—Wisconsin University	2723
Weiss Valve for Air Compressors.....	2399
Westinghouse Electro - Pneumatic Turret System of Control.....	2634
Wisconsin Univ. Water Works.....	2723
Working Granite with Compressed Air	2655
